CLUB **Practice** Gymkhana Day June 2, 2024, 930 am – 100 pm (approx.)

We will have a Facilitator in the ring to assist with correct setup, rules and a few small tips but the intent of this **Fun time** is to get exposed to Gymkhana and do some practice runs. It will be mainly walk, trot but for those who wish to, can canter. The Edmonton Gymkhana Association rules will be the ones followed.

We encourage all tack – English or Western but not bareback.

The following will be set up for practice Barrels, Pole Bending, Stakes, Keyhole, and possibly flags, depending on number of riders and time available.

This session is limited to 12 riders and the cost is \$10.00 per horse/rider combination. You will be **considered registered when both the form and fee are received.**
